Urban MISSIONary Initiative

EMPOWERING YOUNG ADULTS TO LEARN ABOUT THE MINISTRY OF THE SALVATION ARMY AND TO BE AN ACTIVE PART IN BRINGING THAT MINISTRY TO EAST CLEVELAND.

Our goal is to engage current young adults within the existing Corps and recruit new young adults, a total of 10-12, to train to become Urban MISSIONaries volunteer/interns. The emphasis on mission will be paramount in this initiative to create a ministry of presence needed to establish a vibrant corps presence in the city of East Cleveland. All volunteer/interns will submit to a curriculum, "Salvation 101.". The curriculum will lay a foundation of doctrinal purpose and provide insight and excitement about Salvation Army origins and its impact on the global society, in addition, it will teach about a dynamic movement and its historic expansion. That outlook along with biblical teaching will produce fervor in the hearts and minds of these young adults to bring Christ to a dying world.

Changing to Effect Change in Our City

Beginning with 10 weeks of teaching, the volunteer/interns will begin to do work in the urban environment of East Cleveland that mirrors that of community cares. Wearing Salvation Army identity wear, the S.A.V.E. – Urban MISSIONary volunteer/interns will participate in cleaning community parks and serving meals, as well as, incarnational ministries such as cleaning yards and supportive care of citizens and community. Through the doctrinal teaching of the curriculum, every opportunity to connect a person we encounter with the Lord and our church will be a prerequisite of this initiative. Evangelism will not be just a concept but an essential part of our outreach. This will be a new work, in a new place, in a new way for new people. S.A.V.E. will propel the ministry of The Salvation Army into the East Cleveland community by being seen, being present and being strategic about impacting community.
