“The Salvation Army of Greater Cleveland

The Salvation Army is a faith-based, non-profit organization. Our message is based on the Bible and our mission is to meet human needs without discrimination.

The Salvation Army in Cleveland works every day to elevate men, women and children up from despair to provide hope and assistance through programs that work. In teaching life skills, The Salvation Army provides individuals with an opportunity to maximize their physical, emotional and spiritual being to effect permanent change. Throughout the year, the demand for services from Clevelanders is great – tens of thousands of people turn to us for support.

Our services are offered at our Corps Community Centers and at our Harbor Light Complex.
For More than 135 years The Salvation Army has worked tirelessly to improve the quality of life for people in need throughout Greater Cleveland.

Serving tens of thousands of individuals and families each year, The Salvation Army is one of the most efficient organizations in Cleveland. Of every dollar raised, approximately 90 cents is directly allocated to helping people right here in our community.

While the ultimate goal is to help people change their lives permanently, The Salvation Army emergency services support those in need as they work to improve their lives.
