BUILDING BRIDGES

Toledo Temple Corps (Church)

The focus during October was harvest and here at The Salvation Army we are seeing some of the harvest God has provided. Our teens enjoyed a weekend at Camp NEOSA where they focused on forgiveness and letting go of bitterness; a meaningful weekend for all who attended! The young adults enjoyed an evening of coming together with music, games, and worship with other young adults in our area at a young adult retreat. Being well into our scouting and music programs the children have been excited to learn some archery and cake decorating skills all while focusing on how they can be a warrior for God and decorate their lives with beauty from Him. We invite all to join us where we are all part of the family of God!
